Is Stud Fee on "no foal – no fee" Basis? _____ Is Service Live or AI? _____
Amount actually earned in last full season. \$ _____ Bookings for next season _____
Amount actually earned in current season to date. \$ _____ Bookings for remainder of season. _____

Comments or exceptions: _____

I have examined the genitalia of the above animal. I consider same to show soundness for servicing as a stallion. I have palpated the testicles, and they are of normal dimensions and consistency, and fully descended into the scrotum.
